

California Insurance Guarantee Association Selects Frasco, Inc. to Oversee Investigation and SIU Services

GLENDALE, Calif., Dec. 2, 2010 /PRNewswire/ -- California Insurance Guarantee Association (CIGA) announced it has chosen Frasco® Investigative Services, one of the largest insurance investigation corporations in the United States, to manage and perform investigation and SIU Services.

As the sole provider of CIGA's SIU Services, Frasco will ensure compliance with all SIU anti-fraud regulatory requirements, including DOI and District Attorney referrals for potential prosecution, filing of SIU annual and suspected fraud claim reports, ongoing claim file fraud indicator reviews, and SIU anti-fraud training.

"Frasco is proud to provide its investigation and SIU Services to CIGA," said John Simmers, President and CEO of Frasco, Inc. "We have extensive hands-on experience implementing and operating our Special Investigations Unit with unparalleled success and we are well equipped to support CIGA's fraud detection, regulatory, and monitoring needs. Our partnership will provide program management to CIGA with a full range of client services, training and SIU assistance."

With Frasco's secure and powerful online interface, CIGA will have complete access to every aspect of the investigation process, including sending referrals, checking status, retrieving reports, viewing surveillance video and listening to recorded statements.

About Frasco, Inc.

Frasco, Inc., headquartered in Los Angeles, California, is one of the largest insurance investigation corporations in the United States. With a long standing reputation for excellence, Frasco is a recognized leader in the national investigation vendor management industry due to its best-in-class investigative expertise, state-of-the-art technology, and operational efficiencies. Founded in 1964, Frasco has over four decades of experience in corporate, insurance, fraud, and employment related investigations, including pre-employment screening and drug testing. Frasco operates nationally with numerous strategically placed offices throughout the United States.
